Short Description

SD 417 BE is a 1-door display refrigerator, with 280 net liters of cooling space. Comes with 5 black, heavy-duty wire shelves with threads that ensure that all types of glasses, cans and bottles are stable on the shelves. The cabinet has 4 wheels, so it is always possible to move it, even when it is full. The cabinet has a right hinged door with lock, so it is possible to lock the cabinet. The door closes automatically which always minimizes temperature rises. 2 vertical energy-saving LED lights in the front provide a good light and represent the goods nicely. The cabinet has Intelligent Air Circulation System, which ensures perfectly ventilated cooling throughout the cabinet. The SD 417 BE is mechanically controlled and has an internal control panel at the top of the cabinet, so it is easy to adjust the temperature inside the cabinet.
